In the framework of the "2019-2023 State Program to improve the international competitiveness of the higher education system in Azerbaijan", the “2019-2023 State Program” Management Group under the Ministry of Education invites the citizens of the Republic of Azerbaijan wishing to study for a doctorate level at prestigious foreign universities to participate in the submission of documents for the Spring 2021 semester.

The program is designed for candidates preparing for admission to doctoral programs in priority trends of specialties and specialties for doctoral level education abroad and currently studying at the doctoral level in relevant fields. Funding for the education of program participants is managed by the State Program Management Group.

Other information and conditions on the submission of the documents is available in the announcement. For additional questions, interested candidates can appeal to dpinfo@edu.gov.az by e-mail.

The deadline for applications is December 15, 2020.
