The delegation led by the Azerbaijani Minister of Science and Education, Emin Amrullayev, is participating in the 21st World Education Forum (EWF) held in London, the UK, on May 18-22, 2025.

The forum, organized with the participation of science and education ministers from more than 100 countries, representatives of international organizations and experts, is being held under the motto "From stability to growth: Building stronger, bolder, better education together."

Key challenges facing education on a global scale, innovation and digitalization, teacher preparation and international cooperation will be discussed as part of the forum.
