

French-Azerbaijani University announces admission of students

❖ About UFAZ

- ✓ An ambitious project initiated by the Presidents of the French Republic and the Republic of Azerbaijan
- ✓ A joint project directed by by the prestigious University of Strasbourg (Unistra) and the Azerbaijan State Oil and Industry University (ASOIU)
- ✓ Double degree program (French & Azerbaijani diplomas) recognized in France and Azerbaijan to be opened in the center of Baku in the premises of the Azerbaijan State Oil and Industry University (ASOIU)
- ✓ An international academic staff of high qualified French and Azerbaijani professors delivering lectures mainly in English language, while French language will be gradually integrated

For the start of the first academic year in September 2016, UFAZ will undertake the delocalization of 4 double-degrees (bachelor level):

1. *Bachelor of Chemical Engineering (Unistra / ASOIU)*
2. *Bachelor of Computer Engineering (Unistra / ASOIU)*
3. *Bachelor of Geophysics (Unistra / ASOIU)*
4. *Bachelor of Oil Exploration and Exploitation (Rennes 1 University / ASOIU)*

❖ Who are the future students of UFAZ?

UFAZ concerns firstly Azerbaijani students with a strong scientific background who have just graduated from high school and have successfully completed the National Entrance Exam to the Azerbaijani universities (more than 500 points in Group 1 of TQDK).

For those students, an additional exam designed by Strasbourg University will be organised in Baku during the last week of July. Students who are not admitted can still apply to other universities in Azerbaijan.

Governmental scholarships covering the 4 years of the whole program will be provided to the majority of Azerbaijani students enrolling in UFAZ in September 2016.
