Within the framework of the 21st World Education Forum, the bilateral and cooperation meetings of the delegation led by the Minister of Science and Education, Emin Amrullayev, continue.

The delegation met with the Director General of ISESCO, Salim bin Mohammed Al Malik, and the Head of the Education Sector, Haddy Jatou Sey.

Current issues of cooperation in the field of science and education were discussed at the meeting. The sides exchanged views on the possibilities of expanding joint initiatives in these areas.
