The results for accreditation of Siyazan Vocational School and Balaken Vocational School No.2 were discussed at the meeting.

Speaking at the opening of the event, Education Minister Misir Mardanov noted the importance of steps taken to hold the accreditation of educational institutions to effectively organize their activity.

Chairman of the Accreditation Committee for the Siyazan Vocational School, coordinator of Centre for Initial Vocational Education Development Elkhan Jafarov gave information on results of accreditation held at this institution. He talked on logistic base, the content of education, staff and other indicators of the education establishment.

Chairman of the Accreditation Committee for the Balaken Vocational School No.2, director of Baku Vocational School No.14 Vidadi Guliyev gave information on monitoring of the education institution. He also spoke about the activity opportunities of the Vocational School for specialties presented for the accreditation.

Next, there have been given answers to questions concerning each vocational school, as well as voiced some opinions and suggestions.

Moreover, there were given specific instructions to both schools to eliminate shortcomings over a period of time. In conclusion, the Accreditation Council evaluated the activity of schools as satisfactory and made a decision on the accreditation of their relevant specialties.
