The conference was attended by representatives of governments, heads of administration academies, institutes and scientific centers of Turkey, Russia, Ukraine, Kazakhstan, Poland, Lithuania, Estonia, Uzbekistan and other countries, international and non – governmental organizations, as well as experts in a relevant field.

Speaking at the start of the conference Acting Rector of the Academy of Public Administration (APA) Alikram Abdullayev noted that the main goal of the conference is scientific analysis of reforms implemented in the public administration field of Azerbaijan, achievements and results, as well as possibilities for implementing the practice of foreign countries.

Education Minister Misir Mardanov welcomed the guests in his speech and wished good luck with the conference. The Minister highly praised the conduct of this conference at APA with regard to the 20th anniversary of restoration of the independence of Azerbaijan.

Speaking about the activity of great leader Heydar Aliyev, who had made a priceless contribution to the restoration of the independence of Azerbaijan, the Minister highlighted its policy has successfully continued today by the President Ilham Aliyev. He gave information on ongoing reforms implemented in the education field under the leadership of President and achieved successes. According to him, the logistic base of education institutions of Azerbaijan has been strengthened and created all the conditions to receive an education.

The Minister spoke on the activity of APA, which is celebrating its 90th anniversary and underlined its role in training highly qualified personnel.

UN Resident Coordinator in Azerbaijan Fikret Akcura, head of European Union delegation to Azerbaijan, Ambassador Roland Kobia and others made a speech at the conference.

At the end, there was demonstrated a video devoted to the path to independence and development of Azerbaijan.

The conference will continue its work in sections on December 5.
