A delegation led by Yusuf Tekin, Minister of National Education of the Republic of Türkiye, visited the territories liberated from occupation during his visit to our country, together with Emin Amrullayev, Minister of Science and Education.

During the visit, the delegation visited secondary schools No. 1 in Shusha city, No. 1 named after Mirza Ulugbey in Fizuli city, and No. 1 in Aghdam city, familiarizing themselves with the modern educational environment created in these educational institutions.

Yusuf Yusuf Tekin highly appreciated the rapid improvement of modern educational infrastructure as part of the rapid restoration and reconstruction process in Garabakh. He particularly emphasized that the modern conditions created for students in schools in Shusha, Fizuli and Agdam contribute to future generations of Azerbaijan acquiring high levels of knowledge and skills.
