The Minister of Science and Education Emin Amrullayev met with the heads of leading Türkiye's higher education institutions visiting our country as part of the jubilee event dedicated to the 50th anniversary of the Azerbaijan University of Architecture and Construction.

The meeting was attended by Istanbul University Rector Osman Bülent Zülfikar, Gazi University Rector Uğur Ünal, Yıldız Technical University Vice Rector Huseyin Yılmaz, and other representatives.

During the discussions between the parties, opinions were exchanged on opportunities for cooperation between higher education institutions in the two countries, joint projects, student and teacher exchanges, and current prospects for development in the field of higher education.

During the meeting, Minister Emin Amrullayev emphasized the importance of further expanding cooperation in the field of education between Azerbaijan and Türkiye, noting that the implementation of new initiatives in this direction will contribute to the higher education systems of both countries.

The heads of Türkiye's higher education institutions, in turn, expressed their satisfaction with the current level of cooperation with Azerbaijan in the field of education and noted the importance of increasing mutual visits and joint initiatives.
