On December 25, the Minister of Science and Education Emin Amrullayev has met with Resident Coordinator of the United Nations (UN) Office in the Republic of Azerbaijan, Vladanka Andreeva.

During the meeting, activities undertaken within the framework of the existing cooperation with the mentioned organization were discussed. At the same time, the parties exchanged views on the prospects for future cooperation, based on the "Framework Document on Cooperation between the UN and Azerbaijan for Sustainable Development for 2026-2030".
