On January 21, as part of his official visit to Türkiye, the Minister of Science and Education Emin Amrullayev held a meeting with the Chairman of the Council of Higher Education of Türkiye Erol Özvar.

During the meeting, participants expressed satisfaction with the successful development of strategic partnership and allied relations in the field of higher education between the two countries. The results of the long-term fruitful cooperation between the higher education institutions of the two countries were also highly appreciated.

During the visit, a Memorandum of Understanding was signed between Garabakh University and Istanbul Technical University on cooperation in the field of education and science.

It should be noted that as part of the visit, the delegation led by the Minister of Science and Education Emin Amrullayev also visited Hacettepe University and Ankara University.
