On February 4, Minister of Science and Education Emin Amrullayev met with Georgian Minister of Education, Science, and Youth Givi Mikanadze during the World Governments Summit held in Dubai, United Arab Emirates.

During the meeting, the current state and prospects for the development of cooperation between the two countries in the field of science and education were discussed. The parties discussed the implementation of joint projects between higher education institutions, the expansion of student and teacher exchanges, and the continuation of cooperation in the field of STEAM.
