A delegation led by the Minister of Science and Education, Emin Amrullayev, during their visit to Almaty, Kazakhstan, toured the international educational exhibition "Study in Azerbaijan." The exhibition was held at the "Farabi Hub" Innovation Center of Al-Farabi Kazakh National University.

The delegation toured the university stands. The exhibition featured detailed information on educational programs offered by various higher education institutions of Azerbaijan, opportunities for international cooperation, and available scholarships for students.

The delegation was introduced to the facilities at the "Farabi Hub" Innovation Center. During the delegation's visit, detailed information was provided about the center's activities, as well as projects focused on innovation and technology. Modern laboratories within the center were also showcased.
