The delegation led by the Azerbaijani Minister of Science and Education, Emin Amrullayev, is participating in the World Education Forum held in London, the UK, on May 17-20, 2026.

The forum is dedicated to the theme "Educating for a shared future: peace, planet, purpose and development pathways".

Within the framework of the forum, ministers of education, international organizations and strategic partners from around the world will come together to discuss the creation of inclusive, high-quality and future-oriented education systems, strengthening international cooperation and solutions appropriate to modern challenges.
