The Azerbaijani Minister of Science and Education Emin Amrullayev met with Sardor Rajabov, First Deputy Minister of Higher Education, Science, and Innovations of the Republic of Uzbekistan, on the sidelines of the World Education Forum.

During the meeting, participants discussed the current state and future prospects of cooperation between Azerbaijan and Uzbekistan in the fields of higher education, science, and innovation. They exchanged views on opportunities for expanding inter-university ties, promoting joint research projects, academic exchange programs, and developing an innovation ecosystem.

The parties agreed to adopt modern approaches in the fields of science and higher education, as well as to expand cooperation in areas of mutual interest.
