People who wish to participate in the "Project competition for Public Initiatives Support" to be organized based on Order of the Minister of Education of the Republic of Azerbaijan dated October 11, 2013, №842, may submit the relevant proposals by traditional way or by e-mail (projects@edu.gov.az).

Since the Ministry of Education considers key priorities to make close cooperation to investigate and solve the existing educational problems together with civil society institutes and individual researchers, implementation of relevant projects is in its special attention.

Instructions for participation in competition project for Public Initiatives Support
