The Education Forum comprises the ministerial representatives from more than 90 countries of the world. Along with government authorities, the representatives of reputable international educational companies and higher educational institutions also participate in the event.

The deputy minister of education, Jeyhun Bayramov held bilateral meetings with the representatives of some countries within the forum. At the meetings there have been comprehensive discussions regarding priority educational inclinations and mutual cooperation opportunities in Azerbaijan.

Note that on January 22 the Azerbaijani students studying in this country will be met at the Embassy of the Republic of Azerbaijan to the United Kingdom. The problems with which the students faced during study and contributions to Azerbaijan likely to be made by them after graduation will be discussed during the meetings.
