In accordance with the schedule of citizens reception by central executive bodies for March 2014, at a reception held at the headquarters of "New Azerbaijan" Party of the Goranboy region have been listened the appeals of citizens and many of the issues have been resolved on the spot. On some of the issues have been instructed the relevant authorities of the Ministry.

The references of some citizens not entering into the competence of the ministry or having personal character, are registered with objective of a direction in appropriating bodies and their decision is taken under the control.
