Despite protests of staff of college to the persons conducting illegal construction, it wasn't succeeded to suspend their illegal actions.

Only after the intervention of the relevant bodies of executive power, unauthorized building was demolished and the area has been returned to the College.

Citizens who claim the territories of teaching and educational establishments, unequivocally should accept, that such unhealthy tendency breaks constitutional laws of students. And after that, in the framework of the legislation of the Republic of Azerbaijan will continue strong measures against cases of embezzlement of the territories educational institutions.
