## 14 June

In Baku and Sumgayit sites.

**Note:** The final examination in secondary schools located in the unoccupied territories of Agdam and Fizuli districts will be held on June 8, 2010. The final examination in schools related to the occupied territories of the mentioned districts, as well as other forced resettlement areas will be held on the fixed by the order date, in accordance with their settled city or district' schools.

The 11 grades will be admitted to the final examination after presenting ID card.

The final examination of secondary education step will be passed in the subjects of Native language, Mathematic, Azerbaijan history, Physics, Chemistry, Biology, Geography, and foreign language. The exam consists of 120 questions: 25 Native language, and Literature (including 17 Azeri language, and 8 literature) questions, 25 Mathematic (17 Mathematic, Algebra and Analysis, 8 Geometry), 15 Azerbaijan history, and foreign language, as well as 10 Physics, Chemistry, Biology, and Geography questions.

The final exam of the basic education course will be taken in the Native Language and Mathematic subjects. The exam consists of 120 questions: 25 Native language, 25 Mathematics (including 17 Algebra and 8 Geometry) questions.

The time limit for the final exam in the secondary education step will consist of 3 hours, for the basic education step 1, 5 hours.

The exam assessment will be held separately for each subject. The pupil's knowledge will assess 3 (satisfactory), if he answers to the 20 per cent of questions. For example: the pupil's result will assess as 3 (satisfactory), if he answers to the 5% (20%) from 25 questions in the subjects of Native language or Mathematic. If the pupil will answer to the 20 per cent (3 from 15 questions) of questions in the Azerbaijan history and foreign language, he assesses 3 (satisfactory). In other subjects (Physics, Chemistry, Biology, and Geography) for the two correct answers from 10 questions (20 per cent) the pupil will get the satisfactory score.

In accordance with the paragraph 38 of "Rules for holding final examinations in secondary schools and vocational lyceums; and transferring pupils from one grade to another," pupils not allowed to bring with them mobile phones, textbooks and other aids to the exam.

In accordance with the paragraph 39 of Rules, pupils allowed to use the calculator.

The questions from "Text bank of final examination," publishing in the current academic year will be used at the final examination.

In accordance with the paragraphs (27, 29, 30, 31, 65, and 70) of Rules:

---

27. The pupil of 9 grades, who received a positive annual assessment from all subjects, as well as an unsatisfactory annual assessment from 1 or 3 subjects of basic education course admitted to the exam.

29. The pupil of 9 grades and third course of professional lyceums, who received a positive annual assessment from all subjects of secondary education admitted to the exam.

30. The pupils of 11 grades and third course of professional lyceums, who were debarred from exam exams in the previous academic year, or who received the unsatisfactory assessment filed an application to schools which they graduated during the 1-20 April every year. After making a decision about their admission to the exam, appropriate documents of district or city educational department or in case of necessity the accompanied letter of secondary school or lyceum, as well as assessments of results of primary stage of exams should be presented to the Ministry of Education until 20 May.

31. The pupils of 9 grades and third course of professional lyceums who were debarred from the exams in the previous academic year due to the lack of knowledge assessment, as well as uncompleted the basic or secondary education steps for different reasons, and individuals, who wished to get appropriate educational documents admitted to the exam by the external way.

65. The pupil of 9 grades who was debarred from the exams in the previous academic year for the unsatisfactory assessment, at least from the one subject, the next year will take the examination from all subjects. If the pupil of 11 grades received "unsatisfactory" assessment from the subject (or subjects) not including to the exam in the previous academic year, he takes the exam from this subject at the graduated school the next year. If he will receive positive assessment from this subject, he takes the examination in the definite centre from all subjects.

66. If the pupil of 9 grades, regardless of quantity, will receive the annual "unsatisfactory" assessment from exam subjects in the previous year, he takes the exam in the definite centre from all subjects in the next year.

67. The pupil of 11 grades who received "unsatisfactory" score, the next year will take the exam from this subject (or subjects) in the definite centre.

68. The pupil of 11 grades, who admitted to the exams, but not participating in them, the next year will take the exam from all subjects in the definite centre. That pupils will get the school leaving certificate from their own school.

69. Individuals who were debarred from the exams in the previous academic year for the "unsatisfactory" score, or got this score in the exams holding the next year from at least one subject, as well as absented the exam for the unreasonable excuse could take the exam only by the external way.

70. The issues of pupils of 9-11 grades and III course of vocational lyceums, not participating in the exam for the reasonable excuse, is considered based on submission of the district (city) education departments, as well as secondary education schools and vocational lyceums in individually in the Ministry of Education. The pupils (including those who become ill), who reasonably absent the exam, will take the exam in the centralized order in the definite schools of Baku until 25 June.

The total assessment, which will be writing to the certificate of pupils, is defining in accordance with the paragraph 12 of "Rules". The total assessment of pupils of 9-11 grades and III course of vocational lyceums will reveal by the appropriate formula specified by the Education Ministry. The total assessment is calculated, in accordance with the annual assessments of test exam results of the pupil getting by him in the 9 grades from the basic education step, in the 11 grades from the secondary education step; in 9 grades the 8th and 9th, 11 grades 10 and 11 grades, as well as the annual assessment of II-III course pupils of lyceums and assessments of final examination.

In accordance with the paragraph 13 of "Rules" the total assessment of pupils, who for the

---

unreasonable excuse do not attend the exam will be accepted as a "0" (zero). If the pupil for the reasonable excuse does not attend the exam, his score getting by him in the exam will be considered with his test exam score as well. The pupil should present the appropriate document about his reasonable excuse to the school before the exam.

The results of pupils removing from the exam for using a mobile phone, were assessed as a "0" (zero).

The results of pupils, whose examination answer card impossible to read by the reading device, will be abolished.

The pupils, who had the "unsatisfactory" assessment from the definite subject in the previous academic year, can take part in the repetitive final exam in the current academic year. However, they are taking the exam just in subjects, where their score was unsatisfactory. Pupils who received the unsatisfactory assessment in the 2007/08 academic year, and did not take part in the 2008/09 academic year for the reasonable excuse may participate in the repetitive final exam as well.

It is worth being mentioned that the 9 grades pupils who had scored 2 (unsatisfactory) from the base educational course is taking an autumn examination in the centralized order from 2 to 20 September of the current academic year, holding by the Ministry of Education in the definite schools. They should contact the school's management, where they studied, and local education management organs for the preparation of appropriate documents and presented them to the Ministry on time. The 9 grades' pupils, who did not attend the autumn exam for the reasonable excuse, will take the exam until 20 September in schools defining by the Ministry of Education. Pupils, who did not attend the autumn exam for the unreasonable excuse, will have to stay down.

The total assessment of pupils, who received the positive result from one test or final exams, which will be specified in the certificate can be successful.
