Having warmly welcomed the guests, Education Minister Misir Mardanov underlined the existence of historic friendship and strategic partnership between Azerbaijan and Georgia. He emphasized the personal relationship between the presidents of Azerbaijan and Georgia has positively affected bilateral collaboration between two countries.

Rector of International Black Sea University, Prof. Giulis Alasania noted the importance of development of bilateral relations in the education field, and underlined the existence of good conditions for their further development. The guest said that they are interested in getting acquainted with educational establishments of Azerbaijan, as well as in the development of relationships between universities.

Director of Azerbaijan Culture Museum named after M. F. Akhundov in Tbilisi Leyla Aliyeva noted the assistance of Azerbaijan to the development of education in Georgia and highlighted the need of the Museum for new books in Azeri language.

Education Minister underlined that government of Azerbaijan and Heydar Aliyev Foundation has always taken part in the provision of schools in Georgia with textbooks and extra-learning materials. Moreover, he added that there will be taken relevant steps towards delivering necessary books to the Museum. The Minister also expressed the belief in the further development of bilateral ties in the education field. Furthermore, the guests will be pleasantly impressed with the education system of Azerbaijan.
