Speaking at the meeting chairpersons of the commission A. Babayev (Baku Business University), E. Huseynova (Azerbaijan National Conservatory) and B. Nasirov (Sheki Pedagogical College) noted the organization of training at these educational establishments based on academic programs and its adequacy to the demands of State Educational Standards have been analysed. Moreover, the knowledge level of last course students was checked to identify the quality of training. Chairpersons gave information on results of analysed reports and number of teaching staff. Furthermore, there were noted the highest and lowest quality indicators at the educational institutions, as well as recommendations and offers of the commission.

At the end, it was decided to accredit six specialties at the Baku Business University, 7 at Azerbaijan National Conservatory and 3 at Sheki Pedagogical College.

Further, there were held an exchange of views on discussed issues and answered to questions of attendees.
