A new Training and Service Complex built on the initiative of the Heydar Aliyev Foundation has been inaugurated on January 27 in Bina settlement of Khazar district of Baku.

President of the Republic of Azerbaijan Ilhami Aliyev and First Lady Mehriban Aliyeva attended the event.

President Ilhami Aliyev and First Lady Mehriban Aliyeva viewed conditions created at a secondary school No 292, constructed in the territory of the Complex.

It was reported that the 1,400-seat, four-storey school building has classrooms, including military, labor, computer rooms, labs, libraries, a canteen and a gym. The school was fitted with necessary furniture, equipment and visual aids.

Models of solar, wind and mechanical electric power facilities have been installed in the schoolyard.
