The training, which is a joint effort of UNICEF, Ministry of Education and Ministry of Emergency Situation, was attended by teachers of school No.2 of Sheki, school No.3 of Zagatala, and Suvagill village secondary school.

The goal of the training was to train teachers selected within the Project to find a way out of risky situations that might happen during the natural disasters, accidents, and different emergency situations. Moreover, to promote their skills and abilities for disaster preparedness, as well as teach them how to use safety equipments.

At the end, attendees have received methodical aids and CD's on disaster risk reduction for teachers.

The training was attended by the representatives of the Ministry of Education, Ministry of Emergency Situation, and UNICEF.
