On April 21, Minister of Education Emin Amrullayev visited Shamkir district.

During the visit, the opening ceremony of the newly built secondary school No. 2 named after J. Abdiev in the village of Zayam-Chirdakhan, Shamkir district, was held.

The opening ceremony was attended by Minister of Education Emin Amrullayev, head of the Shamkir District Executive Power Rashad Tagiyev, head of the Shamkir District Education Department Gudrat Aliyev and other guests.

Before the ceremony, the monument to the great leader Heydar Aliyev was visited and flowers were laid in front of it.

At the opening ceremony it was noted that the new school is designed for 432 students. The school has 17 classrooms, 3 laboratories, 2 technology and computer science rooms, pre-military service training room, a pre-school training room, an assembly hall for 216 students, a gym, a library and a canteen for 92 students.

After the opening ceremony, the participants got acquainted with the conditions created at the school.
