During his visit to Shamkir district on April 21, Minister of Education Emin Amrullayev met with the heads of education departments, deputy directors, and school principals from Agstafa, Gadabay, Gazakh, Shamkir, and Tovuz districts, all of which are part of the Gazakh-Tovuz Regional Education Department.

During the meeting, views were expressed on the existing problems in the field of education in these regions and their solutions, the steps taken to improve the quality of education and the work ahead were discussed.

In particular, the meeting included an exchange of views on the results of the IX grade final exam by regions, the activities of school principals, the relationship between parents and school, and other issues.

At the meeting, relevant instructions were given regarding the future activities of the local educational management structures, as well as suggestions were listened to and questions were answered.
