
On the 9th of June, the Minister of Education Emin Amrullayev met with Ambassador Extraordinary and Plenipotentiary of the Czech Republic Milan Ekert, who is completing his mission in our country.

During the meeting, the current state and prospects of cooperation between the Ministries of Education of the Republic of Azerbaijan and the Czech Republic in the field of education were discussed.

The parties praised the provision of "Mercury construction kits" to schools in Garavelli, Meisari, Muganli, Gizmeydan and Angakharan villages of Shamakhi district as part of the "Aid to Development" project, as well as the repair work carried out at a secondary school named after Rajabov in Kareveli village of Shamakhi district as part of the "Ensuring energy efficiency" project. Both projects were implemented within the framework of cooperation with the Czech Republic in the field of education.
