

---

The ceremony was attended by the Education Minister Misir Mardanov, Minister of Youth and Sports Azad Rahimov, President of AFFA Rovnag Abdullayev, Head of Binagady Executive Power Ali Gojayev, Deputy Education Minister Elmar Gasimov and other officials.

Speaking at the event Deputy Education Minister Elmar Gasimov congratulated the personnel of establishment on the opening of new sport base. He underlined that the sport school jointly established by AFFA and Ministry of Education was devoted to the 88th birth anniversary of national leader Heydar Aliyev.

Education Minister Misir Mardanov congratulated ceremony attendees on the opening of new sport school. He appraised the establishment of high level football school as an important event in the sport life of the country and noted the special attention paid by President Ilham Aliyev to the development of sport. According to him, the great achievements of our athletes in various sports are the result of sustainable attention.

Noting pupils of schools #126 and 244 located close to the base will be able to use conditions created at the base, the Minister highlighted the role of the school in the development of Azerbaijani football. He also expressed his confidence that school will educate professional athletes.

President of AFFA Rovnag Abdullayev on his speech talked about modern sport establishments created in the Republic and noted a special regard showed by President Ilham Aliyev to the development of sport.

Minister of Youth and Sports Azad Rahimov talked about the political course launched by the national leader Heydar Aliyev, which is continued by President Ilham Aliyev.

Head of Binagady Executive Power Ali Gojayev appraised the creation of new football field as a big present for teenagers and children. He expressed his thanks to AFFA, Ministry of Education, and Ministry of Youth and Sports for the high level supply of the sport school.

Further, guests became familiar with conditions created at the sport school.
