
Azerbaijani schoolgirls participated for the first time in “EGOI 2022” - the European Girls' Olympiad in Informatics. Our country was represented by a team of four schoolgirls at the international competition, which took place on October 16-23, 2022, in Antalya, Turkey.

Our students competed well in this competition and won 1 silver and 1 bronze medal.

Fidan Huseynova, an 11th grade student at the physics-mathematics and informatics biased lyceum of Ganja under the Ministry of Science and Education of the Republic of Azerbaijan, won a silver medal, and Fidan Garayeva, an 11th grade student at the physics-mathematics and informatics biased lyceum of Baku, won a bronze medal.

Congratulations to our schoolchildren!
