

---

A delegation led by the Minister of Science and Education Emin Amrullayev is in Tashkent, the capital of Uzbekistan, to participate in an international conference on "Early Childhood Care and Education," organized by UNESCO.

The purpose of the event, attended by more than 1,500 participants from different countries, is to share the experiences of UNESCO member states to ensure the comprehensiveness and development of pre-school education.

As part of the conference, Minister of Science and Education Emin Amrullayev is scheduled to participate in a high-level session, bilateral meetings with the leadership of UNESCO, as well as with relevant government agencies implementing the educational policy in Uzbekistan.
