

---

The Minister of Science and Education Emin Amrullayev as part of his visit to Uzbekistan met with the Minister of Higher and Secondary Specialized Education of this country Abdukodir Tashkulov. The parties discussed the exchange of experience in the field of higher and secondary specialized education, direct cooperation between educational institutions of the two countries and other issues.

Emin Amrullayev also met with UNICEF Regional Director for Central Asia and Europe, Afshan Khan, as part of the international conference on "Early Childhood Care and Education."

During the meeting, the Minister noted the successful implementation of the project on "Development of community-based preschool education." At the same time, the parties discussed prospects for cooperation in other areas of mutual interest.
