The Minister of Science and Education Emin Amrullayev spoke at a high-level session on policy, management, and finance organized as part of the international conference on "Early Childhood Care and Education" in Tashkent, the capital of the Republic of Uzbekistan.

In his speech, the Minister informed the participants of the event about the activities implemented and successes achieved in increasing the comprehensiveness and quality of preschool education in Azerbaijan. Emin Amrullayev stressed the importance of international cooperation as well as the exchange of experience in these areas.
