

---

On December 8, Minister of Science and Education Emin Amrullayev has met with a delegation from the Brandenburg Technical University of the Federal Republic of Germany.

The Minister expressed satisfaction with the current state of cooperation relations between the Technical University of Azerbaijan and the Brandenburg Technical University and stressed the importance of the agreements signed between the two institutions of higher education on dual degree programs at the master's and doctoral level.

In his turn, the president of the Brandenburg Technical University expressed an interest in establishing ties of cooperation with higher educational institutions of the Republic of Azerbaijan.
