

---

The Deputy Minister of Science and Education, Idris Isayev, took part in the 6th meeting of the Scientific Council of the International Turkic Academy in Bishkek, Kyrgyz Republic.

Addressing the meeting, the Deputy Minister highly appreciated the contribution of activities supported by the International Turkic Academy in enhancing cooperation in the field of education among member countries. Idris Isayev noted the importance of exchange of students and teachers between Turkish states as well as the development of joint textbooks.

As part of the 6th meeting of the Scientific Council of the International Turkic Academy, Idris Isayev also met with the Minister of Education and Science of the Kyrgyz Republic, Kanybek Imanaliyev. During the meeting, they discussed the prospects for developing the existing cooperation between the Republic of Azerbaijan and the Kyrgyz Republic in the field of education and also emphasized the importance of exchanging experiences in areas of mutual interest.

The Deputy Minister also met with the President of the International Turkic Academy, Shahin Mustafayev. Issues of joint cooperation between the Ministry of Science and Education of Azerbaijan and the International Turkic Academy were discussed at the meeting.
