On May 19, the Azerbaijani Minister of Science and Education Emin Amrullayev, who is visiting Georgia, met with Prime Minister of Georgia Irakli Garibashvili.

The meeting was attended by Georgian Minister of Education and Science Giorgi Amilakhvari, rector of ADA University Hafiz Pashayev and Azerbaijani Ambassador to Georgia Faig Guliyev.

During the meeting, the activities of schools in which the Georgian language is taught in the Republic Azerbaijan and the Azerbaijani language is taught in Georgia were highly appreciated, and the prospects for cooperation in general, higher education and science were emphasized.
