

---

On May 19, as part of his visit to Georgia, Minister of Science and Education Emin Amrullayev attended the opening ceremony of the Heydar Aliyev Auditorium at the Tbilisi State University named after Ivane Javakhishvili.

Addressing the event, the Minister of Science and Education informed the participants of the event about the reforms conducted in our country under the leadership of national leader Heydar Aliyev in many spheres of the country, including education sphere, and their results.

Then Minister of Science and Education Emin Amrullaev and Minister of Education and Science of Georgia Giorgi Amilakhvaris visited school No 73 named after M.F.Akhundov where education is carried out in the Azerbaijani language and took part in the "Last Bell" school event.

As part of his visit, Minister of Science and Education Emin Amrullaev visited the Technical University of Georgia and met with the rector of the university, David Gurgenidze.
