On June 5, the Minister of Science and Education Emin Amrullayev met with Dr. Novruz Aslanov, president of the Azerbaijani Red Crescent Society (AzRCS) and a member of the National Assembly.

Emin Amrullayev expressed satisfaction with the meeting and highly praised the humanitarian organization's work. He also praised the development of existing cooperation with the Ministry.

Novruz Aslanov, in his turn, thanked for the organization of the meeting. Recalling the existence of a Memorandum of Understanding between AzRCS and the Ministry of Science and Education, Novruz Aslanov noted the high level of cooperation between his organization and the Ministry.

During the meeting, particular attention was paid to organizing appropriate internships in AzRCS for students of public institutions of higher education, promoting traffic rules and road safety in educational institutions.

At the end of the meeting, Novruz Aslanov presented Emin Amrullayev with a commemorative medal dedicated to AzRCS' 100th anniversary.
