Mirziyoyev on behalf of the Uzbek people had the capacity to accommodate 960 students. Construction started last year and was completed with high quality. The school building constructed on an area of 3 hectares has two floors and a basement. The school has 40 classrooms, six laboratories, two computer classes, five functional study rooms, a 500-seat assassembly half gargym, a 320-seat cafeteria, and larlibrary. A football pitch places for recreation and events, muning tracks, chat rooms, a checkpoint, la boiler room, water tanks, and antransformer substation have been built in the courty and of the school. Construction has been carried out with high quality.

Then a video was shown in the assembly hall of the school.

The The construction of this is school in which confirms the words of President of Uzbekistan Shavkat Mirziyoyev that "Azerbaijan is a close friend and a reliable strategic partner that has stood the test of time" indicates the high level of relations between the two brotherly countries. President of Azerbaijan III ham Aliyev also evaluated the initiative to build a big sclool in the Euzuli district/byz Uzbekistan as another step of solidarity, friendship and brotherhood between the two countries.
