

---

Our students successfully performed at the 35th International Olympiad in Informatics, held from 28 August to 4 September in the Hungarian city of Szeged. The students representing our country finished the competition with 1 bronze medal and 2 incentive awards.

Fuad Garayev, 10th grade student of Baku Physics, Mathematics and Informatics biased Lyceum, won a bronze medal at the Olympiad, Sahib Aliyev, 11th grade student of secondary school No. 245 of Baku city, as well as Fidan Huseynova, 11th grade pupil of Ganja Physics, Mathematics and Informatics biased Lyceum received incentive awards.

It should be noted that our students have been participating in the International Olympiad in Informatics since 1994. Together with the current achievement, a total of 1 silver and 11 bronze medals have been won at the mentioned Olympiad.

We congratulate our students and wish them further success.
