

---

The Georgian Minister of Education, Science, and Youth, Giorgi Amilakhvari, has been on a visit to Azerbaijan since January 24.

On the first day of the visit, Giorgi Amilakhvari met with the Minister of Science and Education Emin Amrullaev. At the meeting, the current state and prospects of cooperation between Azerbaijan and Georgia in the field of science and education were discussed.

Giorgi Amilakhvari also visited ADA University and met with Rector Hafiz Pashayev.
