The Azerbaijani delegation led by the Minister of Science and Education Emin Amrullayev is participating in the World Education Forum held in London.

The forum, where attended 120 ministers from 114 countries, is dedicated to the topic "Promoting Artificial Intelligence, Building Human Relations and Resilience, Accelerating Climate Action. How should we prioritize policy and implementation for stronger, bolder, better education?".

It should be noted that it is planned to hold bilateral meetings with the delegations of a number of countries within the framework of the forum.
