The Azerbaijan-United Arab Emirates (UAE) Ministerial Forum on exchange of experience was kicked off in Baku on 11 June.

The event is jointly organized by the State Agency for Citizen Services and Social Innovation under the President of the Republic of Azerbaijan and the UAE Ministry of Cabinet Affairs.

About 30 officials from the Emirates engaged in various spheres, including high-ranking officials of our country, are taking part in the forum held within the framework of the implementation of the "Memorandum of Understanding on Cooperation between the Government of the Republic of Azerbaijan and the Government of the United Arab Emirates" on exchange of governmental experience".

The purpose of the Forum is to promote innovation and technology in public service delivery, and to identify appropriate frameworks and policies to accelerate economic recovery. In addition, the main objectives include discussing new developments in education and social welfare, as well as trends related to topics such as the environment and green energy in connection with the COP29 event in our country.

Deputy Minister of Science and Education Hasan Hasanli attended the opening ceremony of the forum.

A video clip on Azerbaijan-UAE cooperation was shown at the opening of the forum.

Then, Ulvi Mehdiyev, Chairman of the State Agency for Citizens' Service and Social Innovation under the President of the Republic of Azerbaijan, and Ohoud Al Rumi, UAE Minister of State for State Development and Future Affairs, delivered opening speeches.

Then, presentations were made by officials from Azerbaijan and the UAE in various fields. Within the framework of the program, the best practices gained by both countries in their respective fields were presented.

It is worth noting that on the second day of the forum it is planned to organize sessions covering a number of topics.
