President of the Republic of Azerbaijan Ilham Aliyev visited the Garabagh University in Khankendi on July 5 to inspect the renovation work undertaken at the institution.

Minister of Science and Education Emin Amrullayev informed the head of state about the renovations completed at the university.

The facade of the building was repainted, and historical elements were restored at the main entrance.

All the rooms will be equipped with modern furniture and equipment. Extensive landscaping transformed the university's surroundings, including the creation of a new park designed to meet contemporary standards.

About 1,120 students across 27 specialties are expected to enroll at the university for the 2024/2025 academic year. Additionally, SABAH groups will be established in 8 specialties at the university.

On November 28, 2023, President Ilham Aliyev signed an Order on the establishment of Garabagh University in the city of Khankendi.
