On September 2, President of the Republic of Azerbaijan Ilhamy Aliyev and First Lady Mehriban Aliyeva visited the Kalbajar City Education Complex to inspect the ongoing work and review the project for a modular school planned to open later this year.

The President and First Lady were briefed on the progress of the project.

The complex, spanning more than 22.2 hectares, will include an 80-seat kindergarten, vocational workshops, a STEAM zone, extracurricular facilities, and other essential amenities. A school with a capacity for 528 students is under construction, featuring a library, cafeteria, assembly hall, dormitory, gym, and other necessary spaces.

During the review of the modular school project, it was noted that the 420-square-meter building will include two administrative rooms and nine classrooms.
