Participation of the Azerbaijani delegation led by the Deputy Minister of Science and Education Hasan Hasanli in the UNESCO Digital Learning Week continues.

On the third day of the event, the Azerbaijani delegation participated in a number of plenary sessions on the use and evaluation of artificial intelligence in education and learning.

Within the framework of the event Hasan Hasanli met with Mohamed Elfarnawany, Director of UNESCO's "Priority Africa" Project (PAX) and Vera Lacoeyilhe, Chairperson of UNESCO's Executive Board. During the meetings the current situation and prospects of cooperation with UNESCO in the field of science and education, as well as opportunities for joint actions under the "PAX" project were discussed.

UNESCO's Digital Learning Week will run until September 5.
