On September 19, President of the Republic of Azerbaijan Ilhamy Aliyev attended the reopening of Nizami Ganjavi Secondary School No. 4 in Khankendi, following its renovation.

Minister of Science and Education Emin Amrullayev briefed the President on the improvements made at the school.

The renovation work at Khankendi's School No. 4, which accommodates 224 students, began in May this year under the Ministry of Science and Education's directive. The project encompasses 0.67 hectares with a total area of 3,760 square meters. The refurbished school features 11 classrooms, laboratories for chemistry, physics, and biology, technology and IT rooms, two STEAM rooms, a library, a school hall, a sports hall, and a canteen.
