President of the Republic of Azerbaijan Ilham Aliyev and First Lady Mehriban Aliyeva participated in the opening ceremony of the 960-seat Mehdi Mehdizade Secondary School in the city of Jabrayil.

Minister of Science and Education Emin Amrullayev informed the President and the First Lady about the facilities available at the school.

The school, covering an area of 2.7 hectares, includes 40 classrooms and 5 administrative offices. Classrooms are equipped with essential teaching materials to ensure high-quality education for students. The educational institution also features laboratories for chemistry, physics, and biology, as well as technology and computer rooms, 4 STEAM rooms, a library, an assembly hall, a sports hall, and a canteen.

Internet, furniture, inventory, and other necessary equipment have been installed throughout the school. The schoolyard has been landscaped, with football, basketball, volleyball, and open play areas created for students.

The foundation of this educational institution was laid by President Ilham Aliyev on October 4, 2021.
