

---

The participation of Deputy Minister of Science and Education Hasan Hasanli in the 3rd Conference of Ministers of Education of the Member States of the Islamic World Educational, Scientific, and Cultural Organization (ICESCO) held in Muscat city of the Sultanate of Oman on the theme “Education Transformation Summit: from Commitment to Action” continues.

On the second day of the conference, opening speeches were made, sessions were held, and reports and technical papers on girls' education, media education, the culture of artificial intelligence in education, digitization of education, and other similar topics were discussed.

Finally, the draft Muscat Declaration was adopted.

It should be noted that the conference was attended by high-level education delegations from more than 40 member states of ICESCO, former heads of states as well as chairpersons of international organizations and persons responsible for education.
