On 19 November, the Minister of Science and Education, Emin Amrullayev, met with the Director General of the Islamic Educational, Scientific and Cultural Organization (ISESCO), Salim bin Muhammad al-Malik, who is visiting our country as part of the 29th session of the Conference of the Parties to the UN Framework Convention on Climate Change (COP29).

During the meeting, they discussed bilateral cooperation with ISESCO and prospects for further development.

It is worth noting that Salim bin Muhammad Al-Malik also participated in the high-level panel on education at COP29 on 18 November.
