

---

On 10 November, Minister of Science and Education Emin Amrullayev met with a delegation led by Ben Sauter, Senior Vice President of “QS Quacquarelli Symonds”, one of the world's leading rating organisations, who is on a visit to our country as part of the 29th session of the Conference of the Parties to the United Nations Framework Convention on Climate Change (COP29).

During the meeting, an analysis of the current performance of Azerbaijan's higher education institutions in the QS global rankings was presented and opportunities for further development were discussed.
