On 19 November, the Minister of Science and Education, Emin Amrullayev, met with the World Bank's Global Director for Education Luis Benveniste, who is on a visit to our country on the occasion of the 29th session of the Conference of the Parties to the UN Framework Convention on Climate Change (COP29).

During the meeting, the bilateral cooperation with the World Bank and the prospects for its further development were discussed.

It should be noted that Luis Benveniste also took part in the high-level panels on education at the COP29 on 18 November.
